Individual Online Donation	(click here)

Please note on registration card your sponsorship commitment.

DaHunt for the Cure would like to thank you for supporting our event.

There are a couple things you should know to make your day more enjoyable.

- The dress code is casual; however, T-shirts and shorts are not allowed. While golf carts will be provided to get from station to station, the roads are unpaved so you should wear rubber sole comfortable shoes.*
- Weather is usually unpredictable. Sometimes mornings are chilly and afternoons warm. Dress with layers of clothing that can be easily removed or added as needed. We will shoot rain or shine, so while a small poncho will be provided, you may wish to bring rain gear.*
- You will be provided with a pair of safety glasses and earplugs. While you are welcome to bring your own shotgun it can be a break type of gun, SxS or O/U, side by side over under as well as pumps and autos are allowed. A limited number of shotguns will be provided, usually one per squad. In addition, all ammunition you will need to participate in the event will be provided.*
- The standard event will begin with everyone gathering at the range between 8:00 am and 9:30 am for breakfast and registration; followed by a safety briefing and instructions for those who need them. Participants will break out into their respective squads and will shoot 100 rounds, which will be scored. At the completion of the shoot, we will assemble at the lodge for lunch, dessert, coffee, wine & cheese, cigars, live auction and rewards.*
