Dear Mr. Medici,

Mike Oates
HVEDC

We did it! Because of your substantial and continuous support, the Hudson Valley Cancer Resource Center is a growing and expanding beacon of hope, support and education for cancer patients and their families. This year, we have been able to serve more patients than ever before, add patient portals to our website, hire more staff and have a solid presence in the region, all because of your kind-hearted support of our mission! We wouldn't be able to do this vital work without you. We so appreciate your donation of \$1,000.00 in honor of our 2019 Great Guys Honorees.
