Description • Event Day

We will begin by gathering at the range from 8:30 - 9:30 am for breakfast and registration; followed by a safety briefing and instructions for those who need them. Participants will go into their respective squads and shoot 100 rounds, which will be scored. Upon completion, we will assemble at the lodge for lunch, dessert, coffee, wine & cheese, cigars, live auction and awards ceremony.

General Information • Dress Code

While the dress code is casual, T-shirts and shorts are not allowed. Dress with layers that can be easily removed or added, as you may feel hot or cold. Golf carts will be provided to transport participants from station to station, however, the roads are unpaved, and so you should wear comfortable shoes with a rubber sole.

Inclement Weather

Please dress appropriately and be prepared to play under most weather conditions. We will shoot rain or shine, so while a small poncho will be provided, you may wish to bring rain gear.

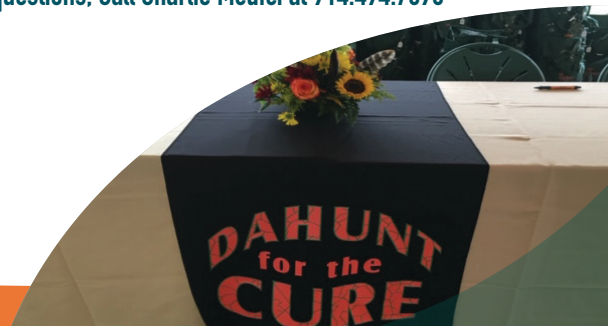

Gear & Safety Information

Each participant will be provided with all necessary ammunition, a pair of safety glasses and earplugs. While participants are welcome to bring their own shotgun, it must be a break type of gun, side by side (SxS) or over and under (O/U). Absolutely NO Semi-Automatic guns allowed!
